## PBA Member Rebate Program

No one likes to leave money on the table. So, what would you think if you could get a rebate for your loyalty to many of the nation's leading housing industry product suppliers? Well, now you can! PBA's Member program increases your bottom line. For the minimal effort of informing us about the home construction products you use and when you close on a home or project, you'll be putting money back in your pocket. Both Builder and Remodeler companies, no matter how large or small, qualify for the program, and you are not required to use products from every Manufacturer. **Please note:** Program is only available to current PBA Members.

**PA One Call Service** – When builders use this service before they dig for the first time each year, they normally pay a \$100 fee, but as a member, that fee is automatically paid for you when you submit the invoice to our local office via fax at 570.287.3341.

PBA has teamed up with Sunoco to provide our members higher fuel rebates than you could earn on your own, better expense control, and added convenience. Starting rebate is higher than non-member rates 2.25% v. 1.25%. If you would like additional information, please contact Ben Hickinbotham at: (484) 753-1969, or [ben\\_hickinbotham@wrightexpress.com](mailto:ben_hickinbotham@wrightexpress.com).

Members receive competitive Workman's Compensation Rates through E.K. McConkey & Co. For rates, please contact Tisha O'Donnell at 717.505.3153 or [tdodonnell@ekmconkey.com](mailto:tdodonnell@ekmconkey.com)

Solveras Payment Solutions takes the time to understand how your business processes payments and saves you money in the process. How much can you save? **Contact Solveras at (800) 616-0631 and tell them you're a member of the National Association of Home Builders to start saving today.**
